 **Earn Your Foundational Knowledge Milestone by attending sessions focused on:**

Introduction to new tools

NotebookLM deep dive

Thoughtful integration of AI

AI and Accessibility

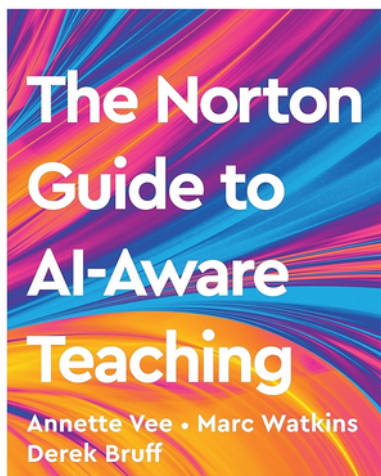

AI and Equity

Critical AI Literacy

## Read and Discuss

Become a member of our fall book group, where we'll discuss *The Norton Guide to AI-Aware Teaching*. Four Rutgers faculty are cited for their assignments incorporating GenAI.

## Join our Community of Practice

Hear what instructors at Rutgers are doing in their classes to encourage real learning while also being aware of the impact of GenAI.
